Yankee Golden Retriever Rescue Special Pets Waiting For That Golden Opportunity

By Dionne F. Richmond

Coming home from a busy day teaching school at Wareham High School, Betsy Ann Wood of Mattapoisett is greeted at the door by two excited and loveable creatures who shower her with affection as they anxiously await their second daily walk. The two shiny coated and well-groomed Golden Retrievers gently nudge her playfully as she explained they are accustomed to their five mile daily walks in the morning and late afternoon, when the temptation to jump in the brook is too strong to resist. Just seeing them together, it is obvious these Goldens are more than just pets. They are a part of the family.

Miss Star Belle and Zackee seem to be the stars of the neighborhood as many people outside stop to get a glance of their favorite duo to see what they are wearing. On this day Miss Star Belle and Zackee are wearing matching red and white polka dotted ties. She describes her dogs as very gentle and people oriented. When asked if she spoils them a little bit, she admits she does -- with love and attention. But Star has not always been so fortunate.

Seven years ago she adopted her first Golden -- Zackee. Then she decided to take a second golden retriever after hearing about Yankee Golden Retriever Rescue (YGRR), a nonprofit charitable organization which provides veterinary care and adoptive homes to Golden Retrievers who have been abandoned, mistreated, neglected or left in pounds throughout New England. Her logic on getting a new Golden was -- "If I have two hands, I can have two dogs," she said.

She sent an application for adoption which was thoroughly reviewed before YGRR came to her house for an in-person interview. YGRR tries to find compatible owners for their pets. At that time there was a 10-year old child living there, so she and her husband Bill had to wait until a Golden who was used to living with children became available. Originally they wanted a younger Golden, but when they met 6-year-old Miss Star Belle, they knew she was perfect. Zackee and Star got along beautifully. "He protects and loves her," Betsy said.

In 1995, five-year-old Star and her brother were transferred to YGRR from the shelter where their owner had left them when he divorced and no longer wanted to breed them. Her brother was also placed by YGRR but sadly, her mother was so ill

that she died. "Star was busy breeding for six months. Now she gets to sit back and enjoy life."

Looking through the YGRR 1997 calendar full of Goldens who have been adopted there are many success stories -- like Thomas, another Retriever who was about 10 years old, weighed 35 pounds, had a fractured pelvis, heartworm disease and buckshot in his body when he was taken to a shelter after a jogger stumbled over him in the woods thinking he was a log. A Bull Terrier rescue volunteer spotted him and called YGRR. He is now adopted and greatly loved by Gail Hamilton and Sappho, their Golden sister.

But these are special dogs that need special attention. Betsy said she would recommend this breed to someone looking to take care of a big dog, who needs a lot of exercise.

YGRR was formed in 1985 and will place their 2,000th Golden this year. They rely largely on donations, membership dues and fund-raising for income. Membership is \$25 a year. Members will receive Golden Times, participate in all events and support worthy causes. Donations ensure future services for the organization -- helping them buy their own place, operating fund and taking care of Goldens currently in the program. YGRR rescues

Goldens from pounds and shelters. The group realizes that no group or person can not solve pet overpopulation problems alone. "By removing Goldens from pounds, we make room for dogs without advocates to stay a little longer and hopefully be adopted before the shelter is full."

YGRR tries to assist dogs of other breeds by annually publishing a list of breed rescues throughout New England. To get a copy call (508) 975-4091 and leave a message on line three.

Goldens are also accepted from their owners who can't or won't keep them for many reasons such as family allergies, illness, move, no time, unprepared for caring for such a big dog, lifestyle change. Senior Goldens are especially vulnerable to this--their kids leave for college, and parents no longer want to be tied down by their dog. Many senior Goldens are admitted this time of year. Only a small percent of Goldens they admit are abused but some are neglected (some have been allowed to become obese, isolated, or flea infested.)

"Too many people forget it has feelings. Being tied up to a chain really changes its personality," said Betsy.

All Goldens are admitted to an animal hospital to receive medical treatment. People who

Mattapoisett Selectmen's Meeting
September 17, 1996

By Kenneth J. Souza

A regular meeting of the Mattapoisett Board of Selectmen was called to order on Tuesday, September 17 at 7:00 pm by Chairman John N. DeCosta. Also present were Selectman Paul E. Lambalot, Selectman Michele C. Bernier, and Executive Secretary Carol Adams.

After approving the minutes of the September 10 meeting, the board met with Sharon Briggs of the "Friends of Ross Mathieu" to request permission to donate and install a park bench at Shipyard Park in memory of Ross Mathieu. "Although Ross wasn't a year-round Mattapoisett resident, he spent his summers here and enjoyed the waterfront area," Ms. Briggs said.

The proposed bench would be of similar construction to those benches located near the pier and would be of "heavier" design. Ms. Briggs suggested placing the memorial bench in between the Downey property and the Ice Cream Slip, several feet in front of the rocks. The board unanimously voted to grant Ms. Briggs' request, and expressed their approval of the memento. "It's a good idea and I thank you very much," Chairman DeCosta said.

The board next signed the vouchers, bills,

Under incoming correspondence for the week, the board received a memo from Town Clerk Lois K. Ennis advising that the State Attorney General had approved several of the town's recent by-law amendments on September 10, including: Article 21 (Regulation of Flood Hazard Areas), Article 22 (Zoning May Amendments), Article 27 (Cellular Telephones), and Article 34 (Consultant).

The Department of Environmental Protection (DEP) next sent a copy of a Waterways License Application to maintain a portion of an existing stone wharf located at 2 Ship Street.

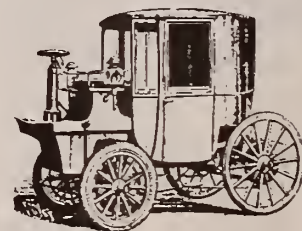

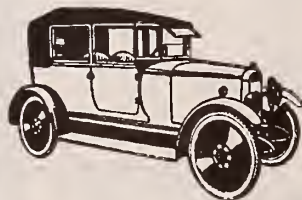

The board received a letter from District Attorney Michael J. Sullivan regarding the Plymouth County DARE Summer Camp which was recently held in East Bridgewater. Mr. Sullivan also wished to commend Mattapoisett Police Sergeant Paul Magee for his assistance during this program.

The Department of Environmental Protection (DEM) sent guidelines and an application form for their grant program. The DEM also announced that they will be administering Coastal Access Small Grants of up to \$3,000 to support local projects that

The Southeast Regional Planning and Economic Development District (SRPEDD) next sent notification of their next meeting, to be held on Wednesday, September 25 at 7:30 pm in the New Bedford Office of Tourism.

Next, the board received a letter from Richard Carle of 20 Marina Drive, who requested the Selectmen to apprise him and other concerned citizens of the status of the Nunes property and its pending sale. Mr. Carle also asked that a synopsis of the Nunes project be available and presented at the next Selectmen's meeting.

"Since the developers, to the best of my knowledge, have not as yet exercised their right to purchase, I believe (the board) could be instrumental in responding to my concerns," Mr. Carle wrote in his letter. "Mr. Livingston (should) apprise you of the present agreement as it may impact on the town's rights under 61-B. I would further appreciate your sharing any information relative to this topic."

Selectman Lambalot felt that the board really had no recourse at this time, as the project still remains "a private transaction between Mr. Rand and Mr. Livingston." But Selectman Bernier noted that while the property is still under Chapter 61-B, the public has a right to know what's being done

"We were given the terms of our option ... which needed to be made by July 1. Now we're approaching October 1, and we still haven't found out whether the property has been purchased."

The board unanimously voted to send a letter to Mr. Livingston asking for an update on the project, and agreed to disclose his response upon receipt.

(ConCom) application deadline closed at 3:00 pm on Monday, September 16. Although they received no new applications for a vacancy left in the wake of Daniel Bungert's resignation, they still had the following five applicants on file: Richard A. Carle of Marina Drive; Diane E. Foster of Brant Beach Avenue; Alan H. Apperson of River Road; Dale Hopkinson of Brandt Island Road; and Robert A. Martin of River Road.

Ms. Adams noted that these files had been forwarded to the ConCom for their recommendation.

Ms. Adams also reminded the board and residents that the deadline to apply to fill a vacancy on the Mattapoisett School Committee is Friday, September 20 at 3:00 pm. To date, only one person has expressed interest in this position.

At 7:30 pm the board opened a Dog Hearing on a request and formal complaint from Chester Rusinoski of Fairhaven Road (Route 6) against his neighbor, Robert Jussaume. Chairman DeCosta swore in those who were going to provide testimony in this matter, and noted that the board had received several complaints about Mr. Jussaume's pit bulls.

Jennifer Rusinoski first testified that on the morning of January 3 she was attacked by one of Mr. Jussaume's pit bulls, which pinned her against her husband's van. "He jumped right on me and tried to attack," she said. "I kicked him and managed to run into the house."

She also cited another incident in August when her three-year-old son and his grandfather was cornered by the dog in the garage. Her father-in-law, Chester Rusinoski, said he's talked to Mr.

Jussaume about the problem, but nothing gets done. "I told him if nothing gets done, I'll call the police," Mr. Rusinoski said.

Natural Resource Officer Brian Nunes said that he's never witnessed the dogs loose in the neighborhood, but he has talked to Mr. Jussaume about the problem and he has made a concerted effort to keep the dogs on his property.

Mr. Jussaume claimed that it is Mr. Rusinoski's dog which entices his pit bulls by running loose next door. "My dogs are not running loose, roaming the neighborhood ... I always walk them on a leash," he said. "I could have called the police every time their dog is loose, but I didn't. I don't think it's fair to punish my dogs when their dog is loose every day."

The board said they were concerned about the potential danger involved with the pit bulls — despite Mr. Jussaume's claim that his particular animals are not vicious. "I'm most concerned about the dog pinning Ms. Rusinoski against the car," Selectman Lambalot said. "I don't think there's any excuse for that ... I certainly wouldn't want a member of my family in that situation."

Chester Rusinoski said he was concerned for the safety of his grandchildren. "I don't want my grandchildren bitten and scarred for life," he said. "I

"We're not going to order (Mr. Jussaume's) dogs destroyed based on tonight's evidence," Selectman Lambalot said. "But we can order that they keep their dogs confined and under control."

The board unanimously voted to require Mr. Jussaume to keep his dogs either fenced in or leashed. They also asked Natural Resource Officer Nunes to monitor the situation for the next 30 days and report back to them in one month.

There being no further matters to come before the board, they unanimously voted to adjourn

CAN YOU JUSTIFY YOUR PRICE?

If you are considering selling your home, can you price it correctly? This is the most vital element in the whole selling process. Or to put it another way, do you REALLY know what this market has done to local home prices?

That's why it pays to sell through an experienced agency like ours. Our staff knows what's going on — not only in our neighborhood, but in general area. We KNOW what people are really getting for homes like yours. That's our business! Pulling an abnormally

high price out of a hat may be one thing, but can you JUSTIFY that price? Can you prepare a comparative market analysis to convince doubtful prospects that your property is worth what you're asking? Can you cite similar local homes that have gone for this price — or more? We can. Our agency has a file of such properties, complete with photos and sales data. That's why you'll get the best possible price selling through our office.

Call Bruce today with any of your Real Estate questions or needs. We're here to help!! 758-6738.

Marion Selectmen's Meeting

September 17, 1996

By Dionne F. Richmond

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday, September 17 at 7:00 pm by Chairman Jonathan "Jody" Dickerson. Selectman Loretta B. Schaefer, Selectman Albert E. Winters, Executive Secretary Ray Pickles and Secretary Helene Craver were also present.

The Board met with District Attorney Michael Sullivan and Sheriff Peter Forman who came before the board to offer their assistance to the town and update them on their progress speeding up juvenile trials, and working in the school system to get input on how cases should be handled. Police Chief Scott said the town was fortunate to have these two gentlemen in law enforcement. Sheriff Forman brought up a few of his upcoming projects such as finding a local police department to hold all area female prisoners to provide administrative relief. "It appears to be small but it relieves the chief's of a big headache that really throws off their budget," explained Sheriff Forman.

Chief Scott said Sheriff Forman deserves credit for standing up for what he believes is right — even if that meant becoming unpopular with other Sheriff's. The board also thanked him for arranging a work-release program that the town has benefitted from (most recently painting the Selectmen's meeting room) and cleaning up after Hurricane Bob

as well as planting trees throughout the area. The board awarded him a plaque of appreciation for accomplishing goals in Marion that were otherwise unattainable. The program has saved Marion about \$20,000.

At 7:30 the board met with the Marion and ORR School Committees to discuss future capital needs projects. The school committee and the region have combined their efforts to provide the board with information regarding the needs of ORRHS and the Sippican Elementary School. They received information concerning Phase II of the ORRHS capital needs project to add a media center which

would be used for conferences and communication courses. The board was informed that most local high schools already have such facilities used for communication courses. The high school parking lot is in need of repaving. The School Committee also will request the high school get its own tennis court. Replacement of a walk-in freezer is also included in the project. The total cost for Marion would be \$1.4 million after state reimbursement.

The board also reviewed a study as a result of the recognition by the citizens of Marion of the need to improve the learning conditions and physical structure of the Sippican Elementary School for current and future generations. The study

concluded that renovation upgrades are needed in order to provide appropriate spaces for current educational programming and administration although it has enough space in total for the current enrollment of 505 students.

The school is also in need of maintenance and a physical renewal program for continued utilization in order to protect the building value. The electrical system requires upgrading to meet current and planned technology needs, the boiler that serves the 1937 and 1954 wings of the building needs replacement, the 1937 roof needs replacement, plumbing improvement in the 1937 wing and portions of the 1954 wing are in need of replacement.

The projected enrollment for the academic year 2005/06 is estimated to be about 630 students, the study said. Additional building space would be required to meet the needs of future enrollment.

The study also showed that the school site is 8.4 acres in area and can accommodate an enlarged building program. The 1937 portion of the school has wood timber framing in the floor and roof structures. The School Building Assistance Bureau (SBAB) will not contribute funding to renovation of wood framed structures or to the non-wood framed structures 1954 and 1972 additions if the 1937 wing structure is not replaced or if the 1937 wing is not replaced with new construction. The study also showed that the cost of undertaking a major renovation of the 1937 wing is greater than building new and the benefits of new construction outweigh the benefits of a major renovation program. The town of Marion is eligible for State Department of

Education reimbursement of up to 60 percent of the costs of renovation and new construction, according to the study. The two options available are to undertake a major renovation program that replaces the structure of the 1937 building in addition to all interior construction or to demolish the 1937 wing and replace the square footage of the wing with new construction.

The board agreed that funding needed to be explored. Selectman Schaefer said neither project should come as a surprise since the ORR is going into Phase II and the committee is taking the next step after the money was voted for the study.

At 8:30 the Board met with the Board of Fire Engineers to discuss budget concerns including a bill from Thomspson Engineering for designing and engineering (\$7,113.37) drainage units (\$16,000 to \$18,000), Geotextile material (\$1,000) and securing funding for asphalt pavement at Station II as well

asphalt overlay and extension at the station I. They also requested a fire department clerk be added into their budget. This person would work 30 hours a week and earn \$9 an hour. The Board of Fire Engineers also requested \$2,500 for safety testing. They will meet with members of the Finance Committee to discuss adding a line item budget for safety testing. The board unanimously approved paying Thompson Engineering for their work to the Fire Department.

The board also reviewed a letter from Jim Boyd, of Engineered Specialties Co. to Mr. Rob Zora, Supt. of the public works regarding low pressure grinder pump sewer systems.

They recommended using the proposed main which would accommodate the flow from 13 houses be 2 inches in diameter. This force main would handle up to 20 homes with no problem. The board unanimously approved this request.

A letter was also received from Fence Viewers Albert Richard and Ray Pickles regarding the Zaniboni/Josephson fence. They found the fence appeared to be placed on the property line and is structurally sound. The Josephsons indicated that they had painted the fence on several occasions and did not wish to repaint it. Mrs. Zaniboni indicated that she and her husband had no objections to the Josephson's painting the fence when it first occurred.

"It is our opinion that there is no valid reason for removing or replacing the fence. The Josephsons are free to improve the aesthetics on their side of the fence by painting it," wrote the Fence Viewers.

A letter was also received from Shellfish

Officer Charles J. Bradley requesting a delay in the start of the 19956 scallop season. He wanted the season opened for recreational fishing only on Sunday, October 6, 1996. He said he received numerous complaints and requests from family permit holders to have the opportunity to fish before the commercial season opens. The commercial season would begin on Monday, October 14, 1996. "Hopefully this delay will benefit the recreational permit holder and the commercial fisherman," he wrote. Selectman unanimously approved his request.

Rochester Selectmen's Meeting September 16, 1996

By Mary E. Redman

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, September 16 at 7:00 pm by Chairman Lorraine Roy Hawkes. Also present were Selectman Richard D. Cutler, Selectman William Chamberlain, and Secretary Veronica Lafreniere.

After approving the minutes of the September 9 meeting, the board met with Fire Chief Scott Ashworth for a demonstration of the department's newly-equipped defibrillation unit. Chief Ashworth wanted to remind people that bystander CPR is still very important.

The next topic of discussion was a Fire Station for North Rochester. The Selectmen felt that the agreement with New Bedford should be updated. They would also like to look into the possibility of taking ownership of the property. The board also had some questions concerning the Fire Department's insurance coverage.

At 7:30 pm, the Selectmen met with Peter Balzarini, owner of Mary's Pond, after some revisions of the lease were signed and approved for another year. Mr. Balzarini was concerned about talk that the beach maybe restricted to town residents

Next the board met with David Watling, who was concerned about his view of the Highway Department barn from his front lawn. The Selectmen stated they had already contacted SEMASS in regards to removing the overflowing dumpster at the site. Mr. Watling also stated that the amount of equipment parked outside was an eyesore. In response, the board set a date to visit the Highway Barn and inspect the site. They did point out that as a working Highway Department, little could be done about the equipment.

Incoming correspondence for the week included:

- A letter from NYNEX stating that because of a lack of revenue from the pay phone in front of the Police Station, if the town wishes to keep this phone they must pay a monthly service fee. The Selectmen will be sending a letter to NYNEX asking them to keep this phone in place until they can meet

with a representative from NYNEX about this matter. The board is interested in keeping the phone for public use without having to pay the fee.

- Civil Defense Director Paul Ciaburri asked the town for a contribution to the American Red Cross to cover the expense of setting up a shelter at Old Rochester Regional (ORR) High School during Hurricane Edouard. The Selectmen approved sending a contribution to the Red Cross.

The Selectmen next signed and approved:

- Massachusetts Interlocal Insurance Agency (MIIA) Statement of Values and Fleet Schedule. Before signing, the board is waiting for further information.

- Beauregard and Burke's legal bill, which was approved for payment.

- Department of Employment and Training invoice for \$1,324.00 was approved for unemployment compensation.

- Rockland Trust Agreement—as the trust has been closed, the board approved setting up a fund where only the interest from the monies would be withdrawn for donations to the appropriate groups.

The board next reviewed Old Business for the week, including:

- The rock in the Town Hall parking lot, which the board will look into having taken care of when the oil tank is removed.

- Due to the need for termite extermination in the Town Hall basement, the Selectmen will be soliciting bids to have the cellar cleaned first.

Under New Business, the board:

Animal Advice

Jay Gould, DVM

PARASITES

I see these small worms under my cat's tail. What are they?

There are two types of intestinal parasites which are large enough to be visible to the naked eye, tapeworms and roundworms. Tapeworms are off-white in color and are usually the size of a grain of rice. They are spread to your pet by fleas. Another type of tapeworm is long, flat and somewhat serrated in appearance. Roundworms are common in kittens and puppies and look like spaghetti. See your veterinarian when you find worms and describe your findings. Often tapeworm eggs do not show up on routine fecal tests.

Old Rochester Regional High School

Back to school in the tri-town area can only mean one thing — the Bulldogs have been unleashed for another exciting season of Fall Sports. According to Athletic Director Joao Rodrigues, the ORR Bulldogs fared well in most of their kickoff games last week.

- The Boys Soccer team managed to defeat Case High School, 2 to 0 on Thursday, September 12, and also beat Westport High School, 2 to 0 on Saturday, September 14. The Soccer team is next set to face Wareham in a 3:15 pm home game today (Friday, September 20).

- In Golf, the Bulldogs edged past Case High School with a final match score of 32 1/2 to 21 1/2 on Thursday, September 12. The team's next scheduled match at press time was a home game against Seekonk on Thursday, September 19 at 3:15 pm.

- The Field Hockey team lost to Bourne, 2 to 0, on Wednesday, September 11, and also fell to the curse of Case, losing 1 to 0 on Friday the 13th. At press time they were slated to face Diman Regional Voke on Wednesday, September 18 in a 3:15 home game, and will also host Fairhaven High School today (Friday, September 20) at 3:15.

- The Girls Soccer team, however, managed to shut out Case in an impressive 8 to 0 win on

Thursday, September 12. The team is next scheduled to play today (Friday, September 20) with a 3:15 pm Junior Varsity and a 6:00 pm Varsity game at Wareham.

• And the ever-popular ORR Football team made an impressive early season showing at home by beating Coyle-Cassidy, 22 to 13, on Saturday, September 14. The Bulldogs will next face Seekonk in a 1:00 pm home game this Saturday, September 21.

Other upcoming ORR games include:

• Cross Country — Friday, September 20 - Bishop Stang at home (3:15); Monday, September 23 - Seekonk away (3:15); Wednesday, September 25 - Westport (B) at home (3:15).

• JV Football — Monday, September 23 - Seekonk at home (3:15).

• Freshman Football — Friday, September 20 - Seekonk away (3:15).

Old Colony Regional Voke

The fall sports season at Old Colony Regional Vocational Technical High School got off to a promising start this past week, despite narrow losses in several heated contests. According to Assistant Athletic Director Gary Brown, who is temporarily filling in for Athletic Director Bill Hebert while on sick leave — *get well soon, Bill!* — all the teams worked hard in their premier plays.

• The Volleyball team lost out twice to Sacred Heart on Tuesday, September 10, despite impressive defensive work from both Danielle Barbuto and Cheryl Mercier. The Cougar Golf

team, however, managed to trounce Diman Regional Vocational Technical High School the same day — with wins going to both **Joey Hardin** and **Jason Cruise** in their matches.

Also on September 10, the Soccer team was defeated by Chatham (7 to 1) in what was turning out to be a close match until Cougar goalie **Tim Forand** was injured and taken out of the game at halftime. Up to that point, the Cougars had tied their opponents, 1 to 1.

• Friday, September 13 proved to be all-too-unlucky for the Soccer team when they were defeated by Fairhaven High School, 5 to 0. And the black cat seemed to continue its curse that same day as the Volleyball team was beaten by New Bedford Voke, despite impressive work from **Alyssa Silva** and **Cheryl Mercier**.

But the Cougar Cross Country team managed to dispel the Friday the 13th myth by staging an impressive showing against powerhouse Diman Regional Vocational Technical High School last week. Cougars **Mike McAvoy** and **James Tagger** finished second and third, respectively, for their team.

Due to inclement weather last weekend, all scheduled Old Colony Golf matches were cancelled.

What Do Your Children Have in Common with P.T. Barnum?

A lot -- if your children have a free and independent spirit like he had. A lot -- if you want your children to explore the many religious paths to truth, not just one. A lot -- if you're the kind of parent who wants your children to grow up knowing a richly diverse group of people.

At the First Unitarian Church of New Bedford, Eighth and Union Street, we believe:

That each and every person is important,
That all people should be treated fairly,
That churches should be places where people learn from each other,

That each and every person must be free to search for what is true and right in life,

That everyone should have a vote about the things that concern them,

That we should all work for a peaceful, fair and free world,

That we must all care for our planet Earth.
Sunday services and church school are at 11:00am. For more information call Religious Education Coordinator Laurie Audette Costa at **993-5950** or the Church Office at **994-9686**.

Mattapoisett FISH Anniversary

The 25th Anniversary of the FISH program in Mattapoisett will be celebrated on Wednesday, September 25th at 10:00 am at the Mattapoisett Congregational Church Hall, 27 Church Street. This program, made up of volunteers, provides transportation to doctors, dentists or hospital test appointments to persons of any age. This social hour will give drivers and telephone volunteers an opportunity to meet. Additional volunteers are always needed and would be welcome to attend to find out more about this important service.

Family Boating Classes

Prepare for next year's boating season by joining the Safe Boating Course offered by the Marion Flotilla of the U.S. Coast Guard Auxiliary. New boaters, owners of personal watercraft, young people who want to meet the state requirements for those under the age of 16 operating a power boat alone, and those who want to refresh their skills are invited to join the classes which will be held on Wednesday evenings at the Marion Music Hall on Front Street in Marion. Coast Guard personnel will be present at some classes.

Registration will be held at 7:30 pm and 8:30

chemically etching the car's vehicle identification number on all the windows including sun roofs and t-tops. The etching will entitle the vehicle owner to receive a 15 percent discount on their comprehensive insurance if there is no other theft device on the vehicle. There will be a \$10 cash charge (no checks) to cover the expense of materials.

The program will take place rain or shine from 9:00 am to 4:00 pm at the Mattapoisett Police Station on Route 6. The program is open to Mattapoisett, Marion and Rochester residents. The registered owner of the vehicle must be present and a valid registration must be presented to have the etching done. The process should take about 15 minutes.

For more information contact Sgt. Paul Magee at the Mattapoisett Police Department, 758-2211 between 4:00 pm and midnight.

First Congregational Church Of Marion

The First Congregational Church of Marion will present a unique entertainment: A Dessert Theater in the original chapel built by Marion's benefactress, Elizabeth Taber (now used for the Penny Pinchers Exchange). The event will take place on Friday, September 20th at 7:30 pm and again on Sunday, September 22nd at 4:00 pm.

A 19th Century melodrama entitled "Foiled by an Innocent Maid" will be performed by local actors, some veterans and some making their theatric debut. Marion's Police Chief Brian Scott returns to the stage as the arch villain, Ferguson

Longfellow, who is relentless in his pursuit of the Follensby Family Fortune. The grieving widow, played by Diane Wedge and her aged, deaf mother, played by Diane Deubber, reside alone in the mansion. Their only neighbor, Maude Filbert, played by Terry Taylor, is the only visitor.

Then Faith Hopewell enters (played by Beverly Hilliard) with a mysterious bundle, pursued by the villain, saved by Jimmy, the errand boy (played by John Ogren) with the plot twisting and turning throughout with plenty of opportunities for booing, hissing, and cheering. There is one intermission at which time dessert and beverage will be served. All of this is included in the ticket price of only \$6 for adults and \$3 for students. Please call 748-1053 or stop by the church office located in the community center in Marion. Reservations are required.

Adoptable Animals

Animal Umbrella would like to inform our readers of many adoptions which took place this week from our article in the *Wanderer* and *The Harborview*. Our beautiful pair of white siblings were adopted into a loving home together along with Freckles, Bear and several kittens.

Still available are 4-6 month old kittens including Murray—an extremely lovable all black sleeky male, Baby—a short haired gray and white male and Smitty—the long hair tiger female who is a forest cat look alike. If interested in any of the above please call Trudy at 990-7806. Available kittens include—a gorgeous pair of all black long hair males who are 8 weeks old—an orange short hair tiger female, a black and white long hair male, a pair of real tiny short hair all black kittens—the only survivors from a litter of six abandoned when they were two days old. There is also a pair a black females with double paws, and a beautiful female Himalayan cross with a spiral tail (a rare beauty). All kittens are vet checked, wormed and vaccinated.

Adult offerings this week include all moms who were rescued with their kittens from precarious situations. All kittens are now in foster homes awaiting adoptions and their moms are all spayed and vaccinated.

They include -- a large orange, black and white calico (a real sweetheart), an all black part

Bishop Stang Student Council

Elections for Student Council officers at Bishop Stang High School for the current academic year were held prior to the close of school in June. Chuck Burke, senior from Dartmouth was elected president of the Student Council at Stang. Chuck is the son of Suzy and Charlie Burke.

Josh Giguere was elected vice president, and

is the son of Michelle and Robert Giguere of Rochester. Adam Chapdelaine, a senior from Fall River, was elected Treasurer. He is the son of Susan Chapdelaine. Stang junior Megan Lally of Acushnet was elected secretary. Megan is the daughter of Mrs. Pauline Lally and Mr. James Lally. The elected officers have all attended the International Student Leadership Workshop at UMass Dartmouth. The goal of the ISLI workshop is to help the student leaders develop skills necessary to be effective in their roles as leaders.

The five essential objectives of the program philosophy are support, awareness, self-confidence, positive thinking and values. The four officers are off and running with their finely tuned leadership skills. Congratulations to the group. Watch for news on their accomplishments during the school year.

Students must attend every session.

Classes will run from 6:30 pm to 8:30 pm.

Adults, as well as younger men and women, are encouraged to attend. A Massachusetts Hunter Education Certificate is provided to course graduates 15 years of older. Youngsters ages 10-14 may participate and receive a "letter of completion" to meet out-of-state licensing requirements. Parental permission is required of all students under 18.

Each year volunteer instructors and Massachusetts Environmental Police hold over 100 hunter education courses throughout the state. The state certificate issued at these classes serves two legal purposes. First, this card allows young men and women between 15-17 years old to hunt alone on their first Massachusetts hunting license. Secondly, the certificate is necessary for either adults or minors to purchase a hunting license in nearly all U.S. states and Canadian provinces.

As of January 1, 1997 hunter education will become mandatory for all first time license buyers in Massachusetts. Many experienced hunters participate to qualify for out-of-state licenses. For additional information on courses write Hunter Education, P.O. Box 408, Westminister MA 1473-0408 or call the bureau office at (508) 792-7434.

Coastsweep clean-ups, which are coordinated by Massachusetts Coastal Zone Management and organized by local volunteers, will be held at more than 80 locations throughout the state, and will get underway, September 21st at Revere Beach in a cleanup organized by ROCA Revere, a local youth league.

"Marine debris is more than an eyesore," said Environmental Affairs Secretary Trudy Cox. "Animals can be killed or injured when they become entangled in pieces of marine debris, such as fishing line and six-pack holders, or when they swallow plastic bags, balloons and other items that they mistake for food. People are injured when they step on broken glass or rusty metal on the beach or in the water. Coastsweep, therefore, makes Massachusetts beaches both safer and more beautiful."

Center School News

It has been a busy summer. As most of you are probably aware, Mr. Mudgie Tavares, our head custodian at Center School for the past 35 years, had a massive stroke over the summer and is currently in rehabilitation at Mediplex in New Bedford. He is making very slow progress. His family has limited visits to immediate family and close friends, but cards can be sent to him at the following address: Mediplex Rehabilitation Hospital, 4499 Acushnet Avenue, New Bedford MA 02745. Please continue to keep him in your prayers and we all hope he will be back at Center School in the near future.

School Calendar Update

Friday, September 27th is an early dismissal day. On this day, all children attending Mrs. Aguiar's and Mrs. Proctor's morning Kindergarten classes and grades 1-3 will be dismissed at 12:20 pm. There will be no afternoon session of kindergarten on September 27th, as the staff will be involved in Inservice meetings/workshops. Students in Mrs. Bowman's and Mrs. Proctor's afternoon kindergarten classes do not attend school on this day. Please note that lunches will not be served to students prior to dismissal on this date. Students will be allowed to purchase muffins, bagels, or a snack at recess if they so desire, or may bring one in from home. The elimination of lunches on early dismissal days and the extended stay for students in Kindergarten on early dismissal days are a result of changes made to the schedule to be in compliance with the Time and Learning Regulations of the 1993 Education Reform Act. A reminder notice will be sent home with all students prior to September 27th.

School Pictures

All students in Project GROW and in kindergarten through third grade will have individual student pictures taken on Tuesday, September 17th. Information regarding costs of these pictures was sent home with all students on September 9th.

Open House

Center School will be holding its annual

Open House for all students and their parents on Thursday, September 19th from 6:00 pm to 7:30 pm. Open House is an opportunity for parents to accompany their children to school to meet their child's teacher and visit his or her classroom and take a tour of the school facilities. All of Center School's staff will be present including all specialists.

Open House is not the appropriate time for conferences with your child's teacher. Most parents will receive a conference with their child's teacher before the end of the first term. I encourage you to contact them so that a mutually agreeable time can be arranged for a conference.

Changing Buses

From time to time, we receive requests from parents to allow their child to ride another school bus, to and from school. Inasmuch as we would like to honor all of these requests, it is impossible to do so. Due to the fact that our school buses are at capacity, children are not allowed to change buses except in the case of an emergency. Our district bus policy, included in the Center School Parent Handbook, does not permit us to allow students to ride a different bus home for social reasons (playing at a friend's house, birthday party, cub scout meeting, after school programs).

In the event of an emergency situation, we are most willing to comply with a bus change request. All you need to do is call us at school, or if you know several days in advance (as in the case of both parents being out of town) please stop by and make your request in person. Your cooperation and assistance in this regard is appreciated.

After School Program Workshops Sought

In the past, Center School has offered an After School Enrichment Program for students. This program was developed as a result of the expressed desire by many parents to have more enrichment activities available to students after school. In the past they have included arts and crafts, sewing, quilting, computer workshops, drama, drawing, baton twirling, soccer, clay, writing, and introduction to foreign languages.

Last year we were unable to offer this program due to a lack of workshop leaders. We would like to be able to offer this program this year. Each activity meets for one hour a week, usually on a Tuesday, Wednesday or Thursday, immediately after bus dismissal. In order to offer this program, we are seeking parents who would be willing to conduct a workshop during the 1996-1997 school year.

Each workshop runs for an 8-week period and presenters are paid for conducting a workshop. We anticipate that Session One of the After School Enrichment Program will begin sometime during the end of October. If you have a particular hobby, skill, sport or activity that you would like to share with students as part of this program, please contact Mr. Murphy by either calling 758-2521 or by sending him a note by October 7th. If you know someone who would like to offer an activity, please share this information with them.

Feeling Minnesota leaves audience feeling confused

BY ROB GONSALVES

• *Feeling Minnesota*. Starring Keanu Reeves, Cameron Diaz, and Vincent D'Onofrio. Directed by Steven Baigelman. Running time: 99 minutes. MPAA rating: R. At Cinema 140 in New Bedford.

The gray landscapes, the twangy country music on the soundtrack, the fashionably rumpled and unshaven Keanu Reeves squinting and pouting (somewhere between contemplative and constipated). For a while, I thought I was watching *My Own Private Idaho*, especially during the credits, when exotic dancers in framed portraits come to life (a swipe from the much wittier gay-porn gag in *Idaho*).

But this isn't *Idaho*, it's *Minnesota* — *Feeling Minnesota*, to be exact. Or, to be more exact, *Unfeeling Minnesota*. The movie is one of those calculatedly hip and quirky Gen-X marketing decisions, far too cool to engage our emotions and too inept to engage anything else. Everyone on the screen is stupid and passive — passive even when they're aggressive — and the attempts at whimsy crash down like dead trees.

Reeves is the semi-hero, a compulsive thief named Jjaks, whose name is the result of a birth-certificate error. Since I don't have the stomach to type "Jjaks" repeatedly, I will rename him Typo. Typo drifts back into his hometown to attend the wedding of his loutish brother Sam (Vincent D'Onofrio), whose unwilling new bride Freddie (Cameron Diaz) falls in love with Typo at first sight.

Taking pity on Freddie, who's been forced by local bad guy Red (Delroy Lindo) to marry Sam, Typo whisks her away along with some of Sam's money. Thus begins a kind of Punch-and-Judy show between the brothers, who pound each other every time their paths cross. The one good thing I can say about first-time writer-director Steven Baigelman is that he stages the Typo-Sam fights naturalistically, with authentic clumsiness. But the rest of Baigelman's direction is just as klutzy.

Feeling Minnesota is one bad screenwriting decision after another; it could be taught in film school as an example of what to avoid. For instance, avoid scenes that go nowhere, such as the one set at a gas station. Sam follows Typo to this station and promptly locks himself out of his car. So he steals a truck hitched to a trailer carrying a show horse. What comes of this? Nothing, except a guest appearance by Courtney Love as a waitress who asks Sam, "Is that your horse?"

Courtney's actually one of the few reasons I didn't hit the aisle; Baigelman gives her nothing to do, but she seems to relish the irony of playing perhaps the sanest character in the movie. I also liked Cameron Diaz, except that Baigelman keeps her offscreen too long near the end (and keeps us in suspense about whether she's dead). And I'd dearly love to see a director cast her as something other than a ripe sex goddess.

The two leads surprised me more. D'Onofrio, a decent character performer, overacts in every scene. I found it hard to look at him. Reeves, not exactly Olivier, is halfway likable as the confused Typo. After a while, I began to feel that Reeves' confusion was real — that he couldn't quite figure out what *Feeling Minnesota* was supposed to be or where he fit into it. Needless to say, I knew the feeling. And it wasn't *Minnesota*.

Tri-Town Early Childhood Advisory Council

The Community Partnerships for Children Tri-Town Early Childhood Advisory Council will present a seminar by Barbara Puglisi, M.Ed., a behavior management education specialist, titled Discipline vs. Punishment: An Educated Choice. Scheduled for Thursday evening, October 10th, the session will be held in the Sippican School library from 6:30 pm to 8:30 pm. Free child care will be provided.

The seminar will distinguish between two methods which are used to deter negative behavior in children: discipline and punishment. In doing so, it takes a look at how parents teach their children right from wrong, and how various approaches used by parents affect children's physical and emotional well being. Known for her lively, down-to-earth and fast paced presentations, Puglisi promises an evening filled with information beneficial to all who come in contact with young children. For more information contact Jane Taylor, Early Childhood Coordinator at 748-1863.

Now in its 19th consecutive year, Confratute has distinguished itself as one of the world's most definitive conferences/institutes on gifted education.

A primary feature of Confratute is the converging of prominent leaders in the field upon a single site for two weeks to interact and consult with teachers, administrators, and parents eager to learn about exceptionally able youngsters. The participants explore ways to help these young people develop their creative abilities and talents.

This Week's Horoscope

by Linda Black

Weekly Tip: Don't buy any machinery unless absolutely necessary. It might be — stuff tends to break down when Mercury's retrograde.

Aries (March 21-April 19). Literary endeavors should go well. Expect moments of creative genius. The pace is fast and furious. Debates will be abundant and intense.

Taurus (April 20-May 20). Take your time and get it right. The boss has something specific in mind — make sure you know what it is.

Gemini (May 21-June 21). The Muse will visit. Finish up that short story you're writing and send it to the publisher. Don't talk to your friends on company time — you'll miss something important.

Cancer (June 22-July 22). Paperwork concerning money dominates your life. Don't fight it. Make time for contemplation. Rest up for a flurry of activity that'll hit soon.

Leo (July 23-Aug. 22). You're up against stiff opposition. Don't worry, love will find a way. Talk to the personnel counselor. You might qualify for a benefit you don't even know about.

Virgo (Aug. 23-Sept. 22). It's easy to make mistakes, or run into mistakes somebody else has made. Let friends help you through confusion.

Libra (Sept. 23-Oct. 23). A fascinating conversation leads to an unusual friendship. Don't let an infatuation interfere with the job.

Scorpio (Oct. 24-Nov. 21). An infatuation with an older person could disrupt your home life. Don't let it get out of hand. You'll see true love — if you're smart enough to recognize it.

Sagittarius (Nov. 22-Dec. 21). Get a technical expert to help you solve a tricky problem. A friend's dilemma requires your attention.

Capricorn (Dec. 22-Jan. 19). Take time to do the research. Read the manual and talk to your friends. In the meantime, a hassle at home demands a solution.

Aquarius (Jan. 20-Feb. 18). You're brilliant. Finish up old projects — don't start new ones. Buy lunch for a friend in repayment of a debt.

Pisces (Feb. 19-March 20). Fill out bureaucratic paperwork and get it turned in. Don't worry about money — think of a way to make more.

If You're Having a Birthday This Week: You may fall for an intellectual this year. You're also lucky at games you've played before. Work toward your dream.

**Home Improvement
Forecast Continued**
By Lloyd Birmingham

Planning and financing home improvement projects: Seventy-three percent of those undertaking home improvements this year say they have planned for it, while less than one-third cite either emergency repair (12 percent) or pure impulse (15 percent) as a reason for undertaking the project. Getting most of their ideas from magazines and newspapers, their own concepts, family and friends, and other people's homes, nearly two-thirds (62 percent) of home improvement planners are do-it-yourselfers. Many, however, will still seek the help of a contractor (28 percent) and/or family and friends (54 percent).

When asked how they would pay for home improvement expenses, consumers surveyed cited using a combination of savings and/or cash (84 percent), credit and charge cards (12 percent), and home improvement or family loans (11 percent). Nearly half (49 percent) of those using a charge or credit card to extend payment on their home improvement purchases say they will have their expenses paid off within six months. One in five (21 percent) credit card users say having a credit card linked to a rewards program influence whether they use that card to pay for home improvement purchases.

Where they shop: According to the American Express Retail Index, home improvement planners will visit a number of different retailers for their supplies. Thirty-nine percent will shop at home superstores. Hardware stores came in second with 27 percent, followed by home furnishing/decorating stores (13 percent), lumber yards (12 percent), and gardening stores and nurseries (8 percent). Fair prices (76 percent), wide selection of products (52 percent), and quality (34 percent) received the most votes from respondents as the top reasons for choosing a home improvement store. Convenient location and knowledgeable salespeople were each cited as important characteristics by 30 percent of the consumers surveyed.

pattern of abstracted crab claws which are at once graceful and primitive. Fayer-Evans has been included in numerous group shows in the Boston-Provincetown area. She has studied at Harvard University and the Boston Museum School, and served an apprenticeship at the Printmaking Workshop in New York City. The one-woman show will be on display September 27th to October 23rd. Gallery hours are Tuesday through Friday, 1:00 pm to 5:00 pm and Saturday, 10:00 am to 2:00 pm. Admission is free.

Next Exhibition

The next exhibition will be the Annual Members Show, opening on October 25th. Membership in the Marion Art Center is open to the public. begin meeting again this fall. Judith Coykendall, Program Director of PACT, stated "This support group is for anyone who has ever contemplated quitting. It doesn't matter if you haven't set a date to quit, everyone is welcome. People in the group are at many stages—they could have just started to think about quitting, or have quit recently, or have been smokefree for a long period of time...or have relapsed and want to try again."

The "quitters" support group will continue to meet every Thursday through the Fall as long as there is interest and a commitment to attend the meetings on a regular basis. For more information,

WE ALL MAKE MISTAKES
Fortunately, some can be corrected.

So you should have replaced your old oil-guzzling boiler last year. So you made a mistake.

Fortunately, you can still save a bundle this year with a fuel-efficient Smith oil-fired boiler. With its 86% efficiency rating, your Smith boiler pays for itself in fuel savings in no time. Add up the efficiency, comfort and limited lifetime warranty and you'll discover that you can't afford to wait another day.
